Administrators' Remarks

- **President Strand:** Since the last Senate meeting, the Illinois Senate Appropriations Committee hearings were held. President Strand, Senators Borg, Mannion, Brown, as well as two Vice Presidents (Bragg and Boschini) were in attendance at the hearings. President Strand stated that it was a good hearing and that we will continue to monitor the process for appropriations.
- **Provost Goldfarb:** Has been in consultation with Senator Borg about members of the Provost's planning committee working on distinctiveness and excellence. Hopefully, we will have recommendations for the committee from the Senate soon.

We are in the midst of a number of searches at the current time. Four candidates for the Dean of Fine Arts position are coming to the campus in the next two weeks for interviews. We have begun to receive applications for the Associate Vice President for Undergraduate Studies. We also currently have candidates visiting the campus for the Dean of the Mennonite College of Nursing.

Expressed his appreciation to Senator Borg for all of his work as Senate Chairperson.

- **Vice President Boschini:** On Sunday, March 28, Professor Katherine Wing will be at ISU as a visiting Scholar in Residence. She will discuss issues on race, equality and the law. Professor Wing will be on campus for five days. Dr. Nassar will be her host.

The committee also has its final draft of the proposal for the service awards, which is an Information Item at this evening's meeting. He stated that it had been a very productive year and thanked all members of the Faculty Affairs Committee for their diligent work.

Rules Committee: Recently discussed the new bylaws for the Mennonite College of Nursing. The committee approved them and will pass them on to the Senate for approval.

Student Affairs: No report.

Action Item:

03.10.99.03 External Committee Election to Council for Teacher Education

Motion XXX-93: by Senator Reid nominating Amanda Giorno, Junior, Early Childhood, to the Council for Teacher Education for the remainder of the academic year. Motion passed unanimously.

01.25.99.01 General Family and Consumer Sciences Sequence Deletion (Academic Affairs Committee)

Motion XXX-94: by Senator Walters (second by Senator Varner) to accept the deletion of the sequence. Motion passed unanimously.

01.26.99.02 Major in Arts Technology Proposal (B.A./B.S.) (Academic Affairs and Budget Committees)

Motion XXX-95: by Senator Walters (seconded by Senator Williams) to adopt the major. Motion passed unanimously.

Friendly Amendment: by Senator Blum. She suggested raising the faculty full-time salaries from \$36,000 to \$45,000 as a beginning salary because of the difficulty of attracting qualified candidates with the technological background needed at \$36,000. Starting salaries are referenced within the proposal in the second paragraph on page 18 and in table IV-5 on page 25. The budget committee also made a strong recommendation for the increase in salary.

Senator Goldfarb: Stated that he was in support of amending the salaries, but if the Senate approved the increase, we would have to work through budgetary strategies and access the entire budget to make certain that this can be accommodated.

02.25.99.01 External Committee Membership for Milner Library & Mennonite College of Nursing (Rules Committee)

Motion XXX-96: by Senator Reid (second by Senator Blum) moved that the Mennonite College of Nursing and Milner Library have members on Academic Standards, Council on General Education, Faculty Elections Committee, Reinstatement, University Curriculum and Council on Teacher Education. In addition, he moved that the members of the Mennonite College of Nursing also be added to the University Appeals and the University Review Committees on which Milner already has members. Finally, Senator Reid asked that the Deans of the two colleges be added to the Council for Teacher Education.

Senator White: The rationale for including Mennonite on these committees was to apply the rules of committee structure that currently exist. Perhaps Mennonite will find it is not appropriate to serve on some of the committees after having served on them. However, the committee did not feel it could make that distinction for them at this time.

Motion approved (all ayes with the exception of 1 abstention – Senator Craddock).

02.08.99.01C ASPT Revisions (ASPT Review Committee)

02.08.99.01D ASPT Final Draft of March 24, 1999 (ASPT Review Committee)

Debate Continues on main motion from meeting of March 3, 1999

Motion XXX-76: by Senator McCaw (second by Senator Blum) to accept the Appointment, Salary, Promotion and Tenure policies as dated March 3, 1999.

Friendly Amendment to Motion XXX-76: by Professor Walker to accept the final draft of the document dated March 24, 1999. (The final draft contains all amendments approved at the meeting of March 3, 1999 and revisions which address legal council's concerns.)

Professor Walker: Changes were made to the document regarding concerns that legal council had about requests from committees for additional material in the review process for faculty promotion and tenure. The changes were mostly semantic. The faculty retains its rights as outlined previously. There was a small substantive change in item XIII.E.4, page 28 regarding requests for materials by the Faculty Review Committee. Previously the Faculty Review Committee could also request additional information. Since it has the last review before the President, all documents and additional materials should have been available at that point. So the changes to document stipulate that the Faculty Review Committee only has access to those documents that have been previously submitted. However, they do have the right to call in "parties to the review" for personal consultation. Professor Walker stated that the parties would be the candidate, and if it were an additional review, the DFSC members, CFSC members, and the Provost.

Motion passed unanimously.

Professor Walker: Complimented the Senate on what he believed was truly shared governance at its best in the review process of the ASPT document and he complimented the faculty at Illinois State University for its joint effort.

The Senate expressed its appreciation to the ASPT Review Committee, the Faculty Affairs Committee, the Office of the Provost, and all other members of the university who have worked on this very difficult task.

Information Items:

03.16.99.01 Outstanding Service Award Proposal (Faculty Affairs Com.)

Senator McCaw: Described the proposals for a new University Service Award, College Service Award, and Service Initiative Award. The Faculty Affairs Committee was approached by Senator Goldfarb last semester with the request to bring recognition of service at Illinois State University in line with recognition of teaching and research. The committee closely followed guidelines that are in place for the University Research and Teaching Awards. Senator McCaw acknowledged the leadership of Senator Blum in producing this document.

Since every college does not have a service award currently in place, the committee proposed that the guidelines for receipt of the University Service Award (which requires the recipient to have previously received a College Service Award) be waived for a two year period. He stated that this would give all colleges an equal opportunity to have candidates currently eligible for the University Service Award and to develop a pool of candidates who could meet the criteria at a later date.

Senator Schmaltz: Questioned the inclusion of the requirement of being a past recipient of a college service award.

Senator Goldfarb: Suggested amending the requirement to the candidate must "be a past recipient of the Outstanding Service Award (or similar award) in their college or Milner library or be nominated for significant university-wide service by a colleague, administrator or governance body."

Senator Williams: The eligibility of only one faculty member per college was highly disproportionate as some colleges have quite a larger number of faculty than others. He felt that this was discriminatory.

Senator Blum: Suggested increasing the amounts of the awards.

Motion XXX-97: by Senator McCaw (second by Senator Reid) to move the Service Award from an Information Item to an Action Item at this meeting.

A two-thirds majority (voice vote) did not approve motion. Item will be referred to the Executive Committee and perhaps will be an Action Item at the next Senate meeting.

Sense of the Senate Resolution

Motion XXX-98: By Senator Reid (second by Senator Brook).

Senator Reid: Proposed a Sense of the Senate Resolution: We the members of the Academic Senate wish to express our deepest gratitude to Paul Borg for his leadership of Senate over the last two years. Motion approved unanimously.

Communications

Faculty Caucus

Senator Borg: Senate will hold a faculty caucus following this evening's meeting to discuss a slate of officers to be elected at the next Senate meeting.

Motion XXX-99: To adjourn. Unanimous by standing vote.
